Rosa's Round Up

Hello all,

February has been quite a wet month but all the flowers and trees in the Park View Garden have started to blossom, which has inspired us to do some spring time crafts.

The residents made some 3D daffodils which are simple but effective and stain glass daffodils for our conservatory window. We have been paying tribute to William Wordsworth with his "Wandering lonely as a cloud" poem, it has certainly brightened the home up having some spring flowers etc on display heading into the change of season.

We have had lots of fun with our singers, who had everyone singing and chair dancing with a few even on their feet!! It was lovely to see happy faces all around.

Hayley our G-Fitness instructor has kept us busy and we've been exercising with mental agility games, cognitive, balancing and special awareness games.

Billbo the dog has become our true Park View mascot, he has brought a lot of comfort and smiles to all the staff and residents here, what a great asset he is to our team.

All my love as always

From Rosa xxxx
